## Brock found not guilty of vehicular homicide

BY DENA BISNETTE

A Hancock County jury took just over four hours Friday to return a verdict in the first case to be tried under Mississippi's new vehicular homicide law.

The eight-women, four-man jury told Judge James Thomas shortly after 6 p.m. that Gary L. Brock, 30, of Slidell, La., had been found not guilty of vehicular homicide in the death of 22-year-old Mary Virginia "Ginger" Buice of Long Beach.

Buice died July 6 when her vehicle and Brock's pick-up truck collided two miles east of Pearlinton on US-90.

Brock was tried under a new law that went into effect just a year before the accident. According to Assistant District Attorney J.P. Compretta, the statute replaces an older culpable negligence law, which required that the prosecution provide a higher degree of proof than the vehicular homicide law does.

"We got a verbal opinion from the state attorney general's office before starting the trial and as far as we know, this is the first time a vehicular homicide case has been tried since the statute took effect," said Compretta, who prosecuted the case with Jay Golden.

He said the vehicular homicide statute requires the state to prove that the accused driver was legally

intoxicated with a blood alcohol level of .10 percent or more at the time of the accident and that he was negligent in operating his vehicle.

For a conviction on vehicular homicide, that negligence and drunk driving must have resulted in death or permanent injury to another individual involved in the accident.

When called as a witness by his attorney James D. McGuire, Brock admitted being involved in the accident and said he had been traveling east from Slidell to his place of employment, Steve Knight Steel Fabricators, when it occurred.

He testified that he had seen Buice's car approaching in the west-bound lane. "Her lights blinked on and off but I didn't pay any attention to it. Then they blinked on and off again," Brock said.

"Her car slid into the middle of the road or something, but her lights were off when we hit," he said.

Brock also admitted to drinking three beers before the accident, saying he had one with a meal after work and two more on the road after stopping at a convenience store near Slidell.

However, testimony from Waveland Policeman John Wilkerson and Mississippi Highway Patrol Officer Curtis Newman indicated that Brock may have been intoxicated at the scene of the accident.

Newman testified that Brock

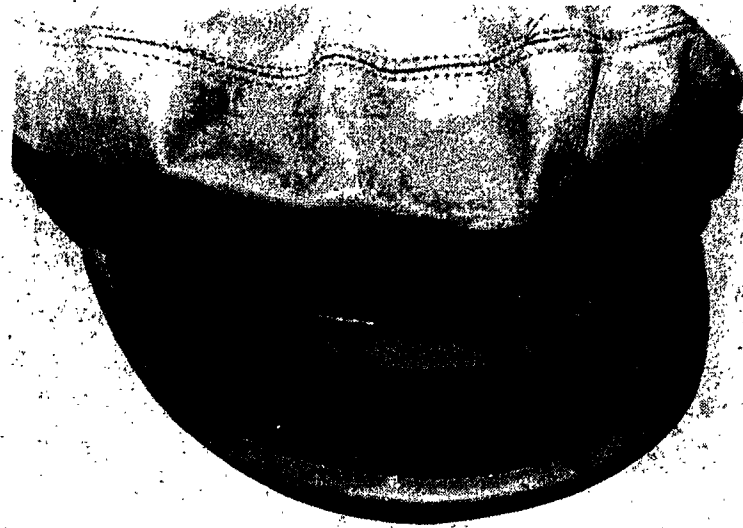

smelled of alcohol and appeared to be intoxicated, while Wilkerson said a breath test Brock took at the Hancock County Jail about an hour after the accident indicated a blood alcohol level of .20.

Dr. J.D. Rutherford III, a rebuttal witness called by the defense, testified that it would take more than three beers to bring the blood alcohol level of a man Brock's size to .20.

Other witnesses included Michael Greenwood of Slidell, who was with Brock for about an hour before the accident and testified that he had not seen him drinking at that time; John Pickering, one of Brock's co-workers, who gave similar testimony; and David Sallas and Jimmy Wood, who were the first on the accident scene.

Also testifying were Mississippi Highway Patrol Officer Ralph Newell, who said the machine used by the Hancock County Sheriff's Department to determine blood alcohol level was tested for accuracy three days before Brock's arrest; and Rev. William R. Buice, who testified that the car his daughter was driving the night of the accident had no electrical problem that could cause the lights to go out.

Golden told the court during a hearing on motions and with the jury excused, that Brock has a record of four prior DUI arrests.

**SUSPECT'S CAP**—Bay St. Louis police are seeking information on identity of the wearer of this grey leather cap with black braid which was dropped Wednesday evening in a St. Stanislaus High School student parking lot by a black male suspected of attempting to burglarize vehicles on the lot. Investigator Joe Pica said the cap was lost by the suspect after he was confronted about 11:30 p.m. by SSC students Trey George and Troy Miller who saw the man acting in a suspicious manner. Patrolman Troy Jackson who investigated the incident said the suspect is about six-feet, two-inches tall, weighs some 215 pounds and was wearing a

green windbreaker and blue jeans in addition to the cap. Two vehicles in the lot were slightly damaged in apparent attempts to force them open Wednesday night, the officers said. Before fleeing, the suspect threw an adjustable wrench at the students, police reported. Pica said this week's incident is the latest in a series of some 10 vehicle burglaries at the school during the past few months. The thieves are concentrating on mobile sound equipment, including speakers, radios, cassette players and booster amplifiers. (Bay PD photo)

## Wastewater district to help county enforce regulations

BY DENA BISNETTE

The Waveland Regional Wastewater District has agreed to assist the county in the enforcement of septic tank regulations. Wastewater board member

Walter Gex III presented the board Wednesday with a proposal from the Hancock County Board of Supervisors that may help reduce the number of people without septic tanks in the county.

According to Gex, the supervisors' proposal calls for the employment of the county building inspector to assist the county board of health in enforcement of existing septic tank regulations.

The building inspector would check the sewage discharge systems on new construction or trailers, thereby helping to cut down on the number of people with either straight pipes or no pipes for sewage discharge.

However, Lou Fernandez of the health department said a septic tank code will eventually be needed. He feels the proposal will keep new problems from developing but will not correct existing problems where inadequate septic tanks are being used.

Gex said the board could enact such a code later if the proposal works, but some method is needed for dealing with immediate problems caused by the discharge of raw sewage.

Board chairman John Longo Jr. said the wastewater district will work up cost estimates on the enforcement proposal. Further discussion is expected at next month's wastewater meeting.

In addition, the board heard from Environmental Protection Agency representative John McCarty, who reported that tests on water samples recently taken from Edwards Bayou

are now complete. Information from the tests is being correlated for use in a computer model to see what long-term effects the discharge of treated effluent from the Waveland Wastewater Treatment Plant could have on the bayou.

Follow-up testing is being scheduled for next month and a full report can be expected early next year, he added.

The tests were taken because the district has received an EPA grant to pay for the development of a treatment system that will discharge treated effluent from both Bay St. Louis and Waveland into the bayou, which presently receives only the effluent from Waveland.

District Administrator Ethel Schott reported that she has received confirmation that EPA officials had received the district's formal acceptance of the grant. The acceptance papers were signed last month, she said.

In addition, she reported on complaints from the local chapter of the Audubon Society, which had been using the Bay St. Louis sewage lagoon property as a bird watching site until police officers restricted them from area.

She told the board that Bay Police Department was asked to keep people away from the lagoon because construction of improvements on the facility will begin soon.

The district agreed to allow Audubon Society members to enter the property with a written pass from Schott until actual construction begins.

## Fair time, funtime

The Hancock County Fair has provided food, fun and fellowship for several youths and adults. From top left, clockwise, Paul Rutter of Bay St. Louis has his hands full with a hotdog, Nell Bourne enjoys a motorcycle ride and Cassie Lott, accompanied by her mother, Vickie Lott of Bay St. Louis checks out the distance to the ground from her position on the carousel horse. (Staff photos by Brenda Heathcock)

## Absentee balloting to begin Tuesday

The circuit clerk's office will begin accepting absentee ballots Tuesday for the county's run-off election.

Circuit Clerk John Rutherford said his office will accept absentee ballots until noon Saturday, when mailed absentee ballots will be taken until noon on November 19.

The run-off election was between the two candidates who received the most votes in the November 6 election: Eugene Dillman and Calvin Smith.

For the November 19 election, voters will be asked to choose between Dillman and Smith for the position of circuit clerk.

Nolan for the Best Three post while Eugene Dillman faces Calvin Smith in Best Four.

The circuit clerk's office will accept absentee ballots until noon Saturday, when mailed absentee ballots will be taken until noon on November 19.

The run-off election was between the two candidates who received the most votes in the November 6 election: Eugene Dillman and Calvin Smith.

For the November 19 election, voters will be asked to choose between Dillman and Smith for the position of circuit clerk.

## Obituaries

**ANTHONY COSPELICH**  
Mass of Christian Burial for Bay St. Louis native Anthony (Cos) Cospelich, 89, was celebrated at 11 a.m. Friday at St. Rose De Lima Catholic Church.

Burial followed at St. Mary's Cemetery in Bay St. Louis.

Mr. Cospelich died at 7:15 a.m. Wednesday, Nov. 7, 1984, at the Veterans Administration Medical Center in New Orleans, La.

Survivors include two sisters, Mrs. Adeline C. Vontour of Los Angeles, Calif., and Mrs. Mary C. Weber of New Orleans; one brother, John Cospelich of New Orleans, and a host of nieces, nephews and other relatives and friends.

He was preceded in death by two brothers, Ererist and Daniel Cospelich.

Carr-Llopis & Boissiere Mortuary of New Orleans was in charge of arrangements.

## News Briefs

### HEARING RESCHEDULED

A hearing in city court for a local minister and a local psychiatrist accused of trespassing on the property of New Woman Clinic has been postponed.

Rev. Nathan Barber, pastor of First Baptist Church in Bay St. Louis, and Dr. Henry Maggio, a Bay St. Louis resident who maintains a private psychiatric practice with offices in Gulfport, are scheduled to appear before Judge Joseph Benvenuti on Dec. 5.

The two were arrested Oct. 26 while picketing in the clinic parking lot.

### VETERANS' DAY

The annual Veteran's Day Parade will be held Monday, Nov. 12 beginning at 10 a.m. at the Bay St. Louis Junior High School.

In observance of the holiday the local post offices will be closed on Monday.

Mail will be dispatched from the Bay St. Louis and Pass Christian post offices at 5 p.m.

Special delivery mail and express mail will be delivered by 9 a.m.

First class mail will be distributed in post office boxes by 10 a.m.

## Nominations sought for outstanding citizen

Nominations are now being received for the Outstanding Citizen of Pass Christian for 1984.

This award is sponsored each year by the Pass Christian Rotary Club and nominations may be made by civic clubs, organizations and individuals.

The nomination should be mailed in a sealed envelope to Pass Christian Rotary Club, P.O. Box 88, Pass Christian, MS 39571 and all envelopes should be marked "Outstanding Citizen Nomination."

Each nomination should include a short resume of the activities of the nominee in current or past years, outside of the normal occupation of

the individual. Only individuals are eligible, not organizations.

The selection of the winner will be made by a secret committee of five persons appointed by the president of the Pass Christian Rotary Club. Only one member will be from the Rotary Club. The other members will be from other organizations in Pass Christian.

The announcement of the 1984 winner will be made at the annual installation dinner of the Pass Christian Area Chamber of Commerce which will be held at the Pass Christian Yacht Club on Thursday, Dec. 13. Deadline for receipt of nominations is Saturday, Dec. 1, at midnight.

## Oyster tonging, dredging seasons to open Monday at sunrise

The Mississippi Commission on Wildlife Conservation has set a sunrise Monday opening for oyster tonging season on the Pass Christian reef.

Oyster dredging season on the Henderson Point reef also shall open at sunrise Monday.

A daily possession limit of 15 sacks per boat will be imposed and, all sacks must be tagged.

Oysters of a size not less than three inches may be taken.

Oystermen must check out at the Pass Christian Enforcement Office or at the Bureau of Marine Resources Enforcement Division vessel stationed on the reef site.

All oystering activities including culling must cease no later than sunset.

No oystering is allowed north of the L & N Railroad Bridge over the Bay of St. Louis.

The Henderson Point oyster reef is

described as follows: that area west of a line running from a point midway of the draw on the Louisville and Nashville Railroad bridge that crosses the Bay of St. Louis to Square Handkerchief Beacon No. 2;

And West of a line beginning at Pass Christian Harbor west Access Channel Beacon No. 2 (which is located due south of Church Avenue) and running south from said Beacon No. 2 to a point two and a half miles from the shoreline;

And north of a line extending from Square Handkerchief Beacon No. 2 to a point due south of Pass Christian harbor west Access Channel Beacon No. 2 (located due south of Church Street), which is two and a half miles from the shoreline.

Within this area described as Henderson Point Reef, dredging is prohibited in all areas within one and one-fourth miles of the shoreline.

## Zoning changes needed

The high cost of a residential dwelling is turning more consumers in the state to less expensive manufactured homes and apartments as alternate housing.

But changes in subdivision regulations and zoning ordinances are needed to permit this alternate housing in more zoning districts, said Dr. Bob Chapin, coordinator for the Mississippi Cooperative Extension Service Land Use Center.

Chapin and other officials spoke to a group of state planners recently at a meeting at Mississippi State University.

Chapin said because of high costs the demand for manufactured homes, or mobile homes, has tripled since 1975 while apartment needs have doubled.

"The ability to afford a house has become an issue in Mississippi," Chapin said. "Most Mississippi families can't afford \$70,000 for a new home with today's interest rates and incomes."

The average price for a house in Mississippi is about \$70,000, Chapin said.

For every 100 people in the state, three families live in mobile or manufactured homes, seven in multi-family houses or apartments,

and the rest in single family residences. There are only 36 homes per 100 people in Mississippi, Chapin said.

Chapin said the high cost of single family residences makes it necessary to provide areas to build more manufactured homes and apartments that sell for less than \$40,000.

"This will mean amending subdivision regulations and zoning districts," Chapin said.

In 1976 mobile homes were required to meet new standards for construction and insulation, Chapin said.

Subdivision regulations are an important tool for planning city and suburban areas, said George Parsons, head of the Center of Small Town Research and Design at Mississippi State University.

"Subdivision regulations are important because they become the skeleton for future growth and, once built, are seldom changed," Parsons said. "Minimum standards for lots, rights-of-way and utilities are essential."

Parsons said subdivision regulations are even more important than land use. Definitions in cases of dispute.

Minimum subdivision standards are critical to prevent cities that annex county lands in suburban areas from being faced with hundreds of thousands of dollars to bring streets to minimum standards said P.C. McLaurin, administrator for their city of Starkville.

"City utilities should not be furnished to subdivisions that don't meet minimum standards," McLaurin said.

McLaurin also said cooperation between cities and counties in planning for growth can help avoid potential problems.

## Quotables by CUEVAS

Today is Veteran's Day and Hancock County's celebration will be held Monday, Nov. 12 with a big parade in Bay St. Louis.

Veteran's Day is set aside to remember and reflect upon the courage and steadfastness of all members of our armed forces throughout our nation's history who have honorably served their country in time of need.

The local event is sponsored by the Clement R. Bontemps American Legion Post No. 139 of Bay St. Louis and all Veterans Organizations, military, elected officials, students, Boy and Girl Scouts, bands, marching groups, and individuals are invited.

The parade will form on Carroll Avenue near Bay Junior High at 9:30 a.m., begin at 10 a.m. and proceed to Beach Boulevard, Beach to Main Street to Second Street, Second to Union Street, Union to Beach Boulevard, Beach to Main Street, Main to Second, and Second to Bay St. Louis City Hall.

John Wilkerson parade chairman, requests that all veteran organizations members wear caps and uniforms when available.

At City Hall a special program is planned to pay tribute to the gallant men and women who have served this nation in the military.

They live in our hearts, we are eternally grateful. Let us reaffirm our devotion to the ideals which they fought and died for in ongoing tribute to them all.

We hope to see you at the Veterans Day celebration in Hancock County tomorrow.

## Cigarette smoke impairs healing

There is a direct association between cigarette smoking and the ability to heal following a facelift, according to Dr. Thomas D. Rees, a plastic surgeon affiliated with the Manhattan Eye, Ear, and Throat Hospital.

Patients who smoke have twice and a half times the chance of developing skin slough than patients who do not smoke, he indicated.

Skin slough is the shedding of tissue which dies when a significant portion of blood supply fails to reach the skin and it results in delayed healing and more noticeable scar formation.

To confirm his long-held suspicion that smoking affects healing, Dr. Rees reviewed the records of 1,186 consecutive patients who had undergone facelift surgery from 1975 through 1981.

One-hundred twenty-one patients had evidence of skin slough. Dr. Rees was able to contact 91 of these patients, or 80 percent who all admitted to smoking more than one pack of cigarettes a day.

Eighteen patients, or 20 percent denied that they smoked. Dr. Rees thus determined that 74 percent of the skin sloughs observed were due to smoking.

"Because nicotine constricts blood vessels, its impact on healing is compounded in surgery where the blood supply to facial skin is already temporarily reduced," said Dr. Rees.

"This finding may be of some comfort to surgeons whose patients experience skin slough, because the condition can be blamed—to some extent, at least—on the patient's smoking habits."

As a result of his findings, Dr. Rees now accepts for facelift surgery only those patients who

agree to stop smoking ten days prior to surgery and abstain for three weeks after.

"Because an appreciable part of every surgeon's practice consists of smokers," cautions Dr. Rees, "the implications of this study, in terms of patient selection and preoperative counseling, seem considerable."

"Heavy smokers can reasonably be denied elective aesthetic surgery unless they stop," he concludes. "Perhaps a suitable admonition to the smoking patient would be 'Warning—smoking can be hazardous to your facelift.'"

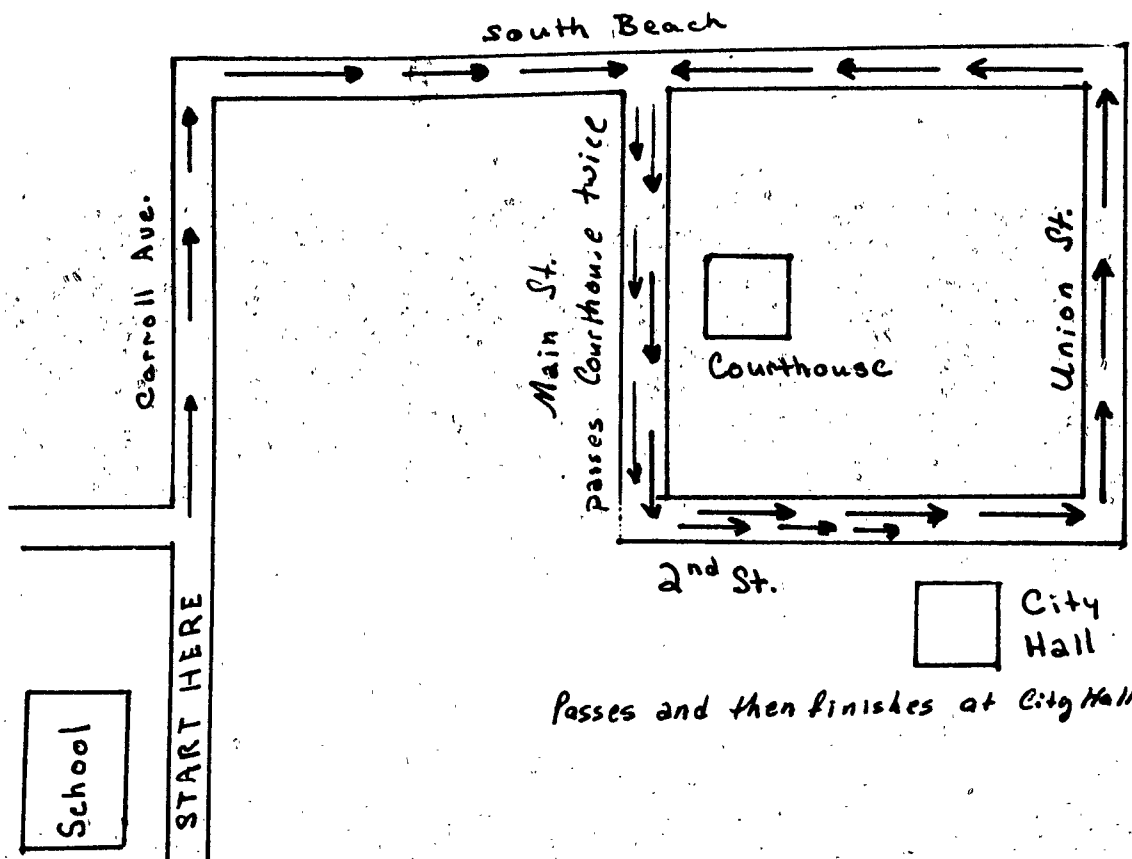

The American Society of Plastic and Reconstructive Surgeons sponsors a free referral service to help prospective patients locate nearby active members who are certified by the American Board of Plastic Surgeons.

The telephone referral number is (in Chicago) 312-856-1834. It is answered 24 hours a day.

Interested people can obtain a list of plastic surgeons in their area by writing to The American Society of Plastic and Reconstructive Surgeons, Suite 1900, 233 North Michigan Avenue, Chicago, Ill. 60601.

The society was founded in 1931 to promote optimal quality care for plastic surgery patients; to meet the professional needs of plastic surgeons through educational programs; to promote the highest professional standards in the specialty; and to support the socioeconomic and professional activities of its members.

To become an active member in the society, a plastic surgeon must be certified by the American Board of Plastic Surgery.

**PARADE ROUTE**—The annual Veteran's Day Parade will follow this route Nov. 12 honoring the veterans of all wars. The parade will begin at 10 a.m. and all groups wishing to march are asked to meet at Bay St. Louis Junior High School at the corner of Carroll Avenue and Second Street at 9:30 a.m. Groups planning to march should contact John Wilderson at 467-6098.

## Stars line up to promote Non-smoking generation

Recent statistics show that if a teen-ager hasn't started to smoke heavily by age 15 or 16 chances are he or she won't become an addicted smoker.

To encourage teens to join the "non-smoking generation" public television will broadcast a new, upbeat variety special called "Breathing Easy" on ETV, Ch. 19 at 9 p.m. Wednesday.

Breathing Easy features an imaginary network with a game show, a situation comedy, newscast, and a variety segment with comedy, interviews and breakdancing.

Starting in the one-hour special are Joan Van Ark of "Knots Landing," Mark Harmon of "St. Elsewhere," Paul Reiser from "Diner," Casey Kasem, host of the radio show "American Top 40" and TV's "American Top 10," and LeVar Burton of "Reading Rainbow."

Major funding for Breathing Easy is provided by the American Cancer Society and the American Heart Association with additional funding from the American Lung Association.

Additional outreach funding was provided by the National Heart, Lung, and Blood Institute.

Breathing Easy is produced by WQED/Pittsburgh.

The program opens with a game show called "You Bet Your Lungs" in which the audience can test its knowledge about smoking and its effects on the body. LeVar Burton hosts this segment.

On the "Breathing Easy News" host Eric Burns, formerly a top correspondent at NBC News and a feature reporter for "The Today Show," reports the latest smoking and health related information and a special report provides a demonstration about the immediate physiological effects of smoking.

Robert MacNaughton of "E.T.," James Murtaugh (commercial television and film star), Rosemary McNamara (Broadway Actress), Mara Hobel ("Mommie Dearest") and Frederick Kiehler ("Mr. Mom," "Kate & Allie") star in the situation comedy, "No Buts About It," in which the kids in the family "know best" and teach their parents that smoking is no longer "cool."

Joan Van Ark hosts "Clearing the Air," the talk/variety portion of the program, in which she interviews Mark Harmon about his decision not to smoke.

Entertainment is provided by comedian Paul Reiser and the Kingsley Robonic Tic-Toccers, and breakdancers from Pittsburgh.

Van Ark also talks with Dr. Alan Blum, founder of the group DOC—Doctors Ought to Care, who points out the subliminal messages in cigarette advertising.

### FACTS REVEALED

Smoking is recognized as the leading cause of heart disease among Americans.

Some surprising facts about smoking and its effects on health are revealed in Breathing Easy. Examples are that:

1. Cigarette smokers inhale carbon monoxide—the same kind of poisonous gas that is in automobile fumes. It attaches itself to red blood cells and reduces the oxygen carrying capacity of the blood.

2. There are 15 different cancer

causing substances in each cigarette and 4,000 chemicals in the average cigarette.

Among the primary reasons that teens smoke are because their friends smoke, a parent (particularly the mother) smokes, or an older sibling smokes. Government statistics report that approximately ten percent (three million) of the teen-age population smokes—with the number of new male smokers declining and the number of new female smokers leveling off.

One way to reduce smoking among teen-agers is by showing the negative physical and financial side effects of smoking and providing them with information to help them make a careful and thoughtful decision about smoking.

Producer of Breathing Easy is Mary Rawson whose credits include two award-winning PBS specials: "The Chemical People" and the television adaptation of "Medea." David Gerber, who directed "The Chemical People," also directed Breathing Easy.

15434, Fort Worth, Texas 76119 and ask for SBA publication numbers 115-A and 115-B.

Q: I would like to start my own small business. How can I obtain SBA publications to help me start off on the right track?

A: The U.S. Small Business Administration offers numerous free publications to persons just starting a small business or for those interested in being their own boss. SBA has free Management Assistance publications that cover many topics ranging from financial management to organization and personnel. Interested in starting a hardware store, an ice cream parlor or a fish farm? SBA has these and many other pamphlets for you to choose from.

You may obtain an order form for both the free and for-sale publications by writing to SBA, P.O. Box

### LETTERS POLICY

The Sea Coast Echo welcomes comments from its readers on subjects of general interest. Letters must be signed and include address or phone number so that the sender can be contacted by the newspaper if necessary. Letters should be brief, preferably typewritten and double spaced, and conform to standards of good taste. Letters of thanks and expressions of appreciation are considered inappropriate for the Letters To The Editor columns.

## Letters to the Editor

### Home owner stymied

in attempt to secure  
rehabilitation assist

Sea Coast Echo  
Bay St. Louis

Dear Editor:

It's been almost five years since I've requested assistance to have my home repaired (in August 1980).

A representative was sent to my home in October to check the condition of my home—in the process he put a large hole in one of my bedroom floors.

Many phone calls have been made to Herman Briggs' office and they keep telling me they don't have the money to repair it.

I received a phone call from Herman Briggs' office telling me they can't repair my home—due to the lack of funds.

Why can't I receive the help that was promised to me almost five years ago?

Sincerely,  
Marie Gladys Farve  
Bay St. Louis

### Montgomery urges

recognition of veterans'

role in maintaining

American freedoms

The Sea Coast Echo

Dear Sir:

By the time this letter reaches you, we will have exercised two of our most precious rights, the right to freely elect our own government leaders and representatives and the right to publicly debate the issues.

There is a greater significance to the privilege of pulling a voting lever beyond approving of a candidate's election to office; it affirms the infinite value of the many conflicts fought, the many lives lost, the innumerable heroic actions and sacrifices, and the blood shed for that privilege.

If we are to maintain our freedom, we can neither take it nor its architects for granted. Now solidly into our third century as a nation, we can easily and loudly proclaim that we are free and that our rights remain intact, but we are neither free nor secure unless we recognize and offer tribute to the deeds of our defenders.

On Nov. 11, we can strengthen our freedoms by uniting in a nationwide expression of gratitude and reverence toward the more than 28 million living American veterans, as well as to those who have died, including 1,081,000 who have died in service since the beginning of the American Revolution.

The 31st annual Veterans Day observance will be highlighted, as were past observances, by the wreath-laying ceremony at the Tomb of the Unknowns at Arlington National Cemetery at 11 a.m. At 2 p.m. that same day, a bronze statue of three American soldiers will be dedicated at the Vietnam Veterans Memorial in Washington.

The week of Nov. 11-17 has been proclaimed National Women Veterans Recognition Week, marking the first time the Nation has paid special tribute to its more than 1.2 million women military veterans.

Through the support of the American people, the Congress has been successful in maintaining the fine-tuning an ongoing program of benefits and services for our veterans. The 96th Congress, which adjourned on Oct. 12, was very productive in this regard. I am enclosing a Committee summary of the major veterans' legislation (now public law) of the 96th Congress.

John F. Kennedy once said that "the most powerful single force in the world today is neither communism or capitalism, neither the H-bomb nor the guided missile—it is man's eternal desire to be free and independent." We have an obligation to remember those who have been and continue to be the very heartbeat of that desire.

Because of our veterans, not only do we have freedom, we have the foundation and the hope for an enduring peace.

REP. G.V. (Sonny)  
MONTGOMERY  
Chairman  
U.S. House of Representatives  
Veterans' Affairs Committee

# "On Nov. 15, adopt a friend who smokes."

Larry Hagman

Help a friend get through the day without a cigarette. They might just quit forever. And that's important. Because good friends are hard to find. And even tougher to lose.

## SPORTS

St. Stanislaus—35; Vancleave—12

## Friday win propels Rocks into Wendell Ladner Bowl

BY TOM ACKERMAN  
Sports Correspondent

The Saint Stanislaus Rock-a-Chaws steamrolled their way to a lopsided 35-12 win over the visiting Vancleave Bulldogs Friday to cap their best season in recent memory and give their 2,000-plus homecoming fans a night to remember.

Displaying the type of play that led to their season record of six wins against three losses, the Rocks took control early in the game to set the tempo that would dominate for most of the evening.

Although the Bulldogs were able to trade possessions with the Rocks during the first period of play, they couldn't overcome the tight Rock defense that stifled their passing game and held them to minimum yardage on the ground.

With seconds left in the first quarter, the Rock-a-chaws capitalized on a Dog fumble in their own end zone, and SSC's Todd Thriffiley pounced on the ball to put the home team on the scoreboard with 13 seconds on the clock.

Rock kicker Matt Spotorno, on target for four of four PATs, split the uprights to give SSC a 7-0 advantage.

The second quarter began with the Bulldogs in control of the ball, but the Rocks allowed them only three plays on the possession. On third down and seven, Rock Jimmy Dempsey leaped high in the air to foil a Dog pass to give his team the ball at the Vancleave 48.

Rock quarterback Matt Scardino gave an indication of the type of campaign SSC was going to wage when he confounded the opposition with an 18 yard run to the Dog's 45.

Vancleave recovered a Rock fumble two plays later, but were held to four tries. On fourth down, the Dog's attempt at a punt was blocked by Rock Arthur Wynne, and scooped up by Jordan Bradford, who after a moment's hesitation about what the proper procedure should be, headed for the end zone for another SSC score.

Spotorno's point after kick put the Rocks ahead 14-0, with 7:45 left in the half.

Using most of the remaining time in the period, the Bulldogs mounted a drive that brought them to the SSC 8 with 42 seconds left. Vancleave connected on a short pass, and with 36 seconds remaining in the half brought the score to 14 and 6. The attempt for a two-point conversion failed.

Any momentum Vancleave might have had going into the lockers was cut short on their first play of the second half. Carrying to their own 28 on reception, the Dogs fumbled on first down, and Rock Todd Thriffiley covered the ball to give SSC possession.

On runs by Thriffiley and Mark Logan, the Rocks moved to the Vancleave 32. QB Scardino took it from there on third down to dash 31 yards for the next Rock score with 9:30 left in the third quarter. Another kick by Spotorno was on target and the Rocks led 21-6.

Vancleave began a long drive from their own 25 to eat up most of the third period clock, but their momentum was brought to a screeching halt at the SSC 20 when Rock Joe Golmon jumped in to snag a Dog pass and give the home team possession.

Scardino again decided to take matters in hand and kept on the second play of the series to scout 40

yards for a first down at the Vancleave 45.

From there, Logan connected on a Scardino pass and moved to within striking distance at the Dog 15.

From the 15, Scardino exercised the option and held on to the ball to take it over for another Rock TD with 11:09 left in the game.

Spot put his educated toe into action once again and the Rocks were up 28-6.

The Rock-a-Chaws allowed Vancleave three plays on their next possession. Starting at their own 28, Vancleave moved to the 32.

On third down, Rock Jimmy Thriffiley snagged a fumble and ran to the goal for yet another SSC TD, upping the Rock lead to 34-6.

Giving Spotorno a rest, sub kicker Chris Kolodziej lined up for the conversion and gave the Rocks their final point of the evening.

Starting the long road toward another score, Vancleave faced the Rock JV line and moved to the SSC 3. From there, with 4:03 left in the game, the Dogs took it across for the 35-12 final. The attempt for a two-point conversion failed.

The win moved the Rock-a-Chaws

to their best regular season yet, 6 and 3, under head coach Vernon Powell. But it's not over yet.

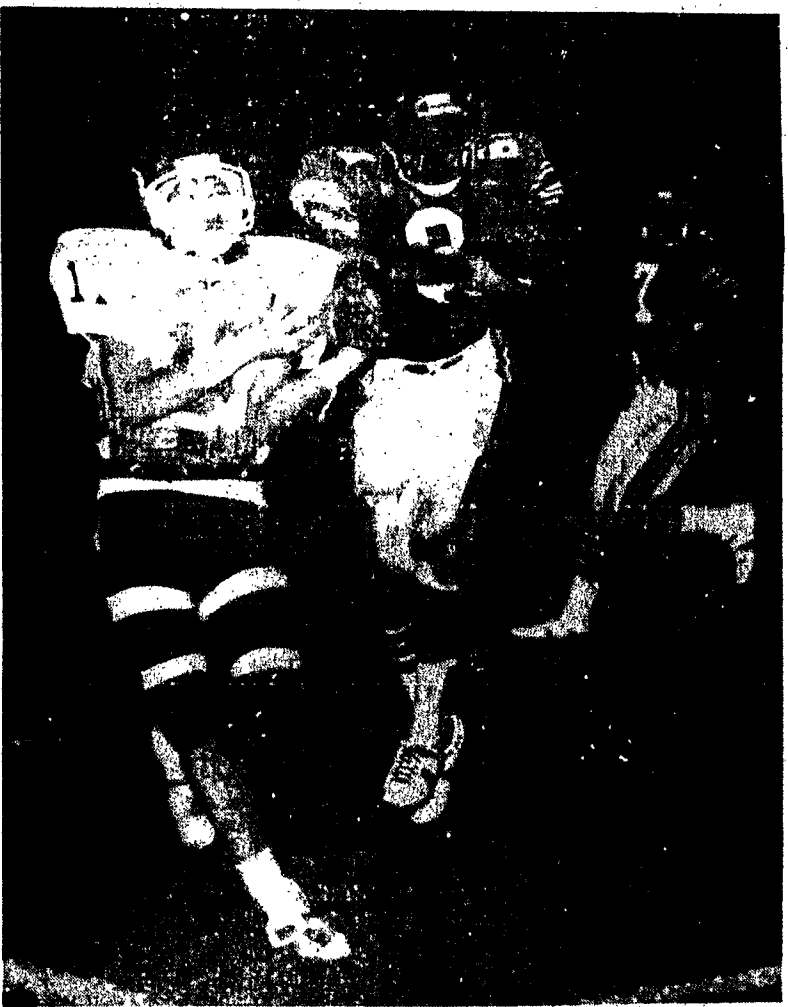

Following Friday's win, the Rocks learned that they will be travelling to The Kiln next Saturday to participate in the Wendell Ladner Bowl.

The prestigious event, another feather in the cap of Coach Powell and his team, will pit the Rocks against the Pearl River Central Blue Devils, giving the Rocks a chance to boost their record to seven wins.

The game is slated for 7 p.m. Saturday at Hawk Stadium on the HNC campus in White Cypress.

**END ZONE INTERCEPTION**—Herman Gaines (21), wide receiver for the Vancleave Bulldogs, successfully snatches a Matt Scardino pass intended for St. Stanislaus split end David Zanca (28) early in Friday's Bulldog-Rock-a-chaw contest in Bay St. Louis. The Rocks downed the Bulldogs 35-12 to capture a Wendell Ladner Bowl bid. (Echo Sports photo by John Falcon)

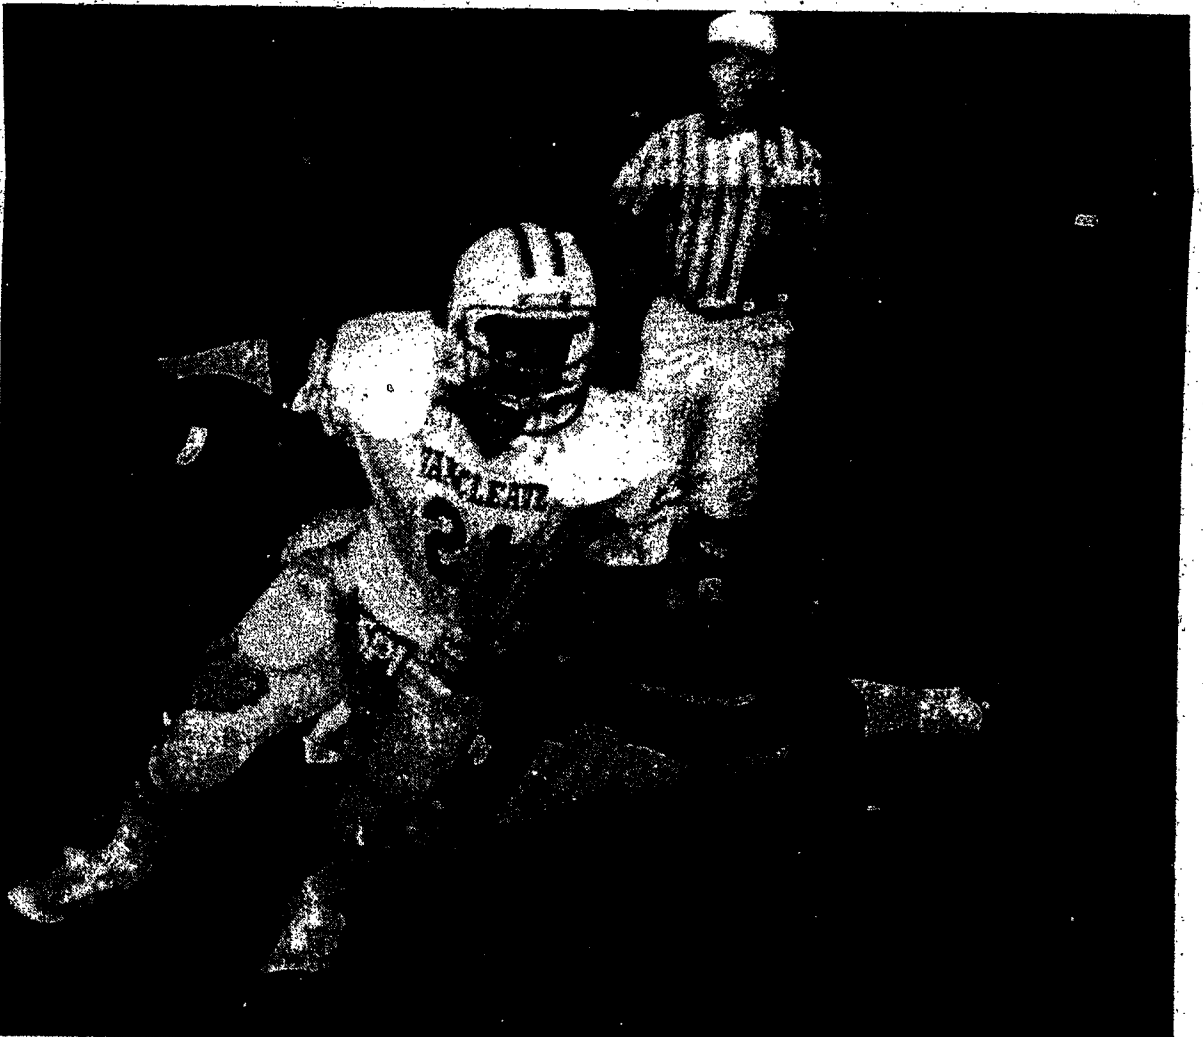

**PIRATE VIGILANCE**—Pass Christian Tight end Irvin Hall (81) breaks up a Long Beach pass attempt intended for Bearcat receiver Joey Hebert (11) while Pass quarterback Shinall Conway (7) covers deep near the Pass Christian goal line in Friday's inter-city rivalry at McDonald Stadium in the Pass. The Pirates amassed seven wins to three losses for the season with a 29-6 victory over Long Beach. (Echo Sports photo by Edgar Perez)

**DUDLEY DOES RIGHT**—St. Stanislaus quarterback Matt (Dudley-Do-Right) Scardino pitches out to SSC running back Todd (TNT) Thriffiley for extra yardage in Friday night action against the Vancleave Bulldogs.

The Scardino-Thriffiley duo collaborated frequently during the Rocks' 1984 season to bring the team to a 6-3 regular season record and a Wendell Ladner Bowl bid. (Echo Sports photo by John Falcon)

**DEFENSE—DEFENSE**—St. Stanislaus fullback Chuck Yarborough takes down Vancleave wide receiver Herman Gaines on a punt return during Friday's SSC Homecoming victory over their guests from

Jackson County. The Rock defense held the Bulldogs to a slim 12 points while the home team offense posted 35. (Echo Sports photo by John Falcon)

## Pirates eyeing new bowl event after wasting Bearcats, 29-6

BY EDGAR PEREZ

The Pass Christian Pirates Friday night added the Long Beach Bearcats to a list of seven victims for the 1984 football season, blowing the 'Cats out of the park 29-12.

Other hapless invaders of Pirate territory this year were Bay High, St. Martin, Pearl River Central, East Central, Vancleave and Hancock.

Three respectable losses are on the Pirate record, losses to the powerhouses of D'Iberville, Stone County and St. Stanislaus.

Pass Coach Alton Wright told his players after the game Friday at McDonald Stadium they had "turned

in the kind of job that wins ball games."

Wright said he feels the Pirates—the first aggregation to play under the school's new top mentor—deserve to play in a post-season outing.

The Pirate coach expected over the weekend to negotiate a bowl appearance for his Pass squad against the St. John's Eagles of Gulfport, possibly Saturday night in Pirate Stadium.

In Friday's trouncing of the neighboring Bearcats, the first Pirate score came early in the first period on an eight-yard pass from

quarterback Joey Rogers to tight end Irvin Hall.

Following a Pirate punt, Long Beach fumbled on first down and Pirate tailback Vernel Page came up with the ball to put his shipmates back in possession on the visitors' 29.

The Bearcats, however, dug in to prevent another Pirate ramble into pay dirt and six points.

So Otis Gates pushed the Pirates out three points further with a 28-yard field goal.

Bearcat receiver Joey Hebert set the visitors off on an eight-play drive from their own 12 with a 20-yard kickoff return.

With 6:10 left in the second period,

Cat running back Robert Taylor pushed into the Pass end zone from the two.

An extra point attempt by Darin Dean was blocked and the Cats edged as close as they would get for the duration of the Pirates leading 6-4.

Pass Christian began taking out insurance on the next play when sophomore quarterback John W. Dedaux took the kick off and raced 85 yards for a touchdown.

The Pirate extra point kick was made and the lead remained at 16-4 when Dean ran again the first half. Although the third quarter was

highlighted for the Pirates by a 12-yard run by Winston Ausner and a 10-yard completion from quarter-

back Joey Rogers to Hall, Pirate quarterback Shinall Conway ended the Bearcats' first possession of the final period with a first down interception just inside Long

Beach territory at midfield.

Dedaux chopped off about 20 yards before Rogers hit split end Mark Boyd with a 35-yard scoring pass.

Pass Christian's lead was 24-6. Conway pinned an extra point to seal the victory at 30-6.

plays later by intercepting a Willie Newsom pass attempt again around mid-field.

Pass took over with 7:01 left in the game. Two minutes and eight plays later, Gates attempted a three-pointer from the 29 but missed the mark.

Long Beach's Willie Newsom, a senior, was the Bearcat's last offensive player to touch the ball.

Shinall Conway, a senior, was the Pirates' last defensive player to touch the ball.

The Pirates' victory over the Bearcats was their seventh in a row and their 11th in 12 games.

# Hancock Hawks lose final game of season to d'Iberville Warriors

By BRENDA HEATHCOCK  
The Hancock North Central High School Hawks dropped their last game of the season Friday night to the d'Iberville Warriors.

"We gave it a good effort but d'Iberville has some real class players and a team like that is just hard to beat," Hawk Coach Irvin Favre.

Favre said that the Hawks did not make a lot of mistakes and there was no real turning point in the game.

"D'Iberville knew what they had to do and they did it," Favre said. "We knew what we had to do and could not do it."

The Hawks were simply outmatched on every turn and there is no shame being beat by a class team like d'Iberville, he said.

Favre said he believed the team would bounce back and work hard in the off season to be ready for next year.

Friday's win over the Hawks was the fifth shutout game for the Warriors who finished the season with an 8-2 record.

The Warriors only defeats have been by No. 1 state-ranked Picayune 34-31 in triple overtime and South Pike 7-6.

The Hawks recieved the opening kickoff and were able to gain more than nine yards before being forced to punt.

Stanley Jourdan had two carries for five yards and received a pass from quarterback Melton Lewis for a little over four yards.

The Warriors had to punt away their first possession and the Hawks came out and gained a first down before fumbling away the ball.

Jourdan carried three times to gain the first down and then Frank Ladner rushed for two yards.

Lewis Burton carried once before the fumble and the Warriors took possession on the Hawk 15-yard line. D'Iberville took the ball into the endzone on this possession and had a 7-0 lead with 3:41 left in the first quarter.

Delano Lewis received the kickoff and ran to the Hawk 25-yard line before he was stopped.

Tailback Charles Burton made his first carry here and gained more than nine yards being stopped just short of the first.

Jourdan broke through and ran to the Hawk 41-yard line for the first down on the next play.

Ladner had a short gain and Jourdan added two more before the Hawks had to punt away the ball.

The Warriors scored twice in the second quarter and had a 20-0 halftime lead.

Melton Lewis returned one kickoff and Jourdan returned the other kickoff but the Hawks were unable

to move the ball down the field into scoring range.

The second half was better for the Hawks who held the d'Iberville offense to only one touchdown.

A series of low yardage gains and incomplete passes caused the Hawks to have to punt three times in the second half before they mounted a drive that gained two first downs.

This fourth quarter drive was started by Jourdan who gained a first after two carries.

Burton rushed through on the third down for a 14-yard gain and another first down.

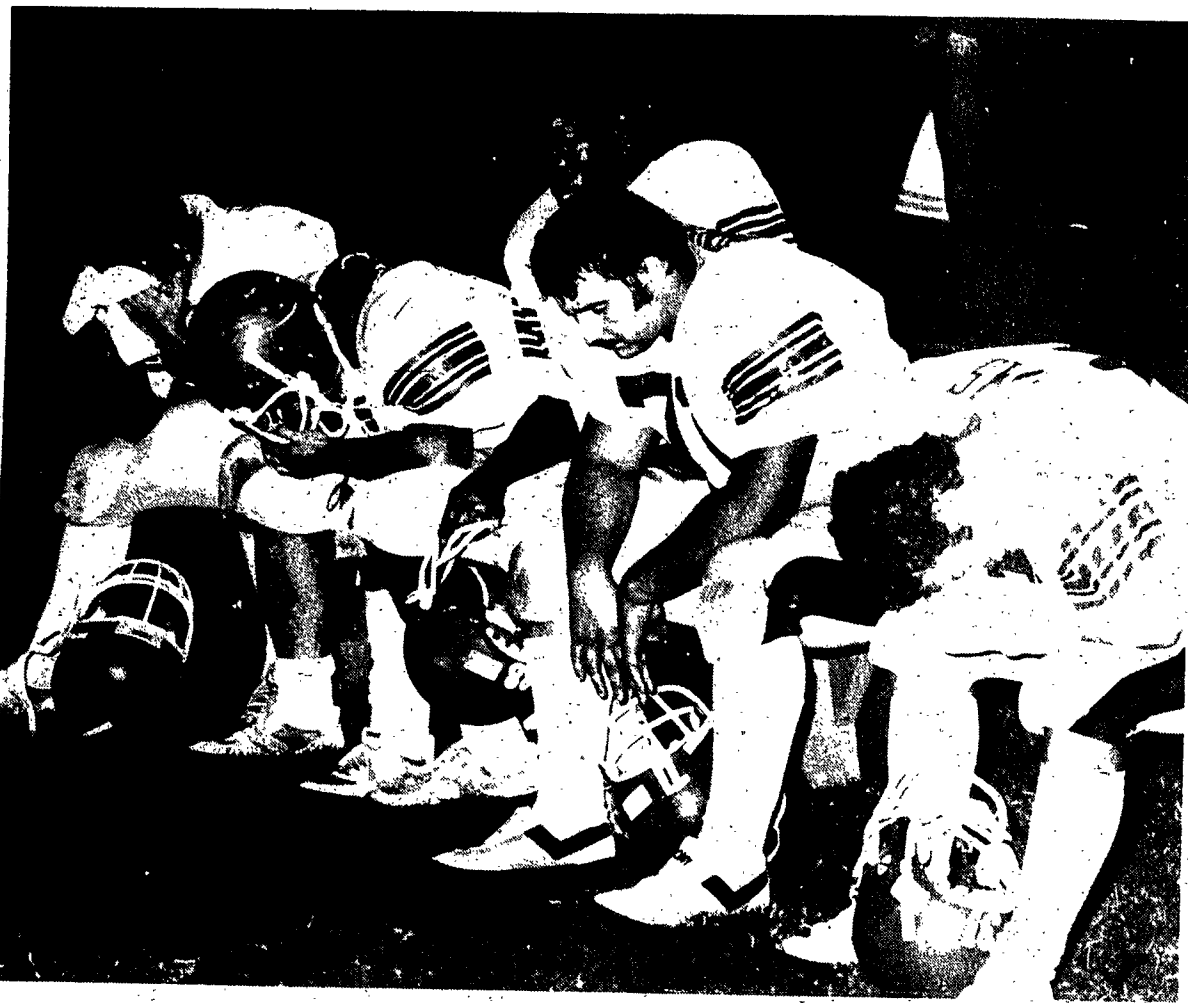

A Hawk pass was intercepted to put an end to the drive and the Warriors took a 35-0 win.

The Hawks had a six first downs in the game and a total rushing of 78 yards. D'Iberville had 13 first downs, 142 yards rushing and 158 yards passing.

Each team fumbled once and lost the ball on the fumble.

Jourdan was the leading rusher, followed by Burton and Ladner.

Favre noted that Hawks Brian Necaise, Frank Ladner, Drew Malley and Melton Lewis played an exceptionally good ball game.

DESPAIR—Members of the Hancock North Central High School Hawk team are in despair during the final

minutes of the game Friday night against the d'Iberville Warriors. (Staff photo by Brenda Heathcock)

## KIPS program underway at USM

Wearing a new hat as gymnastics instructor at the University of Southern Mississippi is Ray Gnat, a 24-year-old Chicago native who most recently coached the Louisiana State University men's gymnastics team.

During the month's time Gnat has been at USM, he says his students are working up to his expectations. Gnat coaches KIPS (Keeping in Perfect Shape), a 23-member children's gymnastics team which meets each evening from 6-9 p.m. in USM's physical education facilities. KIPS members range in age from 8 to 16.

Gnat is putting the gymnasts through rigorous training, he says, because of his background and the fact that he expects more at an earlier age. He started his gymnastics career in Illinois, where he was a state champion.

After graduation, Gnat coached the LSU men's gymnastics team, helped five privately-owned Baton Rouge, La. clubs form gymnastics teams and helped direct the women's gymnastics team at LSU.

In addition to coaching KIPS for USM's Community Services Department, Gnat hopes to continue his graduate work in physical education at USM and to get into regular physical education instruction on the collegiate level.

"Since I've coached collegiate level, my goal is to make these kids collegiate gymnastics material so they can become professional competitors," he said.

The team is already the strongest in the state since it has the most 'Class 1' gymnasts. KIPS has four Class 1 members and the entire state of Mississippi only boasts seven, including those four. A Class 1 gymnast, Gnat said, is "a potential collegiate athlete with overtures of Olympic goals."

The year-round KIPS team competes annually with teams from Mississippi and several other states in Region A—including Florida, Georgia, Louisiana, Alabama, Tennessee, South Carolina and North

Carolina. All states have similar children's programs which abide by regulations and standards set up by the USGF (United States Gymnastics Federation).

KIPS will host the Mississippi

State Championships March 29-30 next year. From there, Gnat said, the finalists will proceed to regional and national competition. "A lot of the kids are very young but they are competitive gymnasts," he added.

SSC QUARTERBACK Matt Scardino exercises his option to keep the ball during Friday night action in Bay St. Louis against the Vancleave Bulldogs. Scardino picked up 18 yards on the run to set up one of five Rock touchdowns during the event. Stanislaus defeated

Vancleave 35-12 to earn a berth in the Nov. 17 Wendal Ladner Bowl at Hancock North Central High against Pearl River Central. (Echo Sports photo by John Falcon)

## TO THE VOTERS OF COUNTY SCHOOL SYSTEM

I wish to express my sincere appreciation for the wonderful vote you gave me, placing me in the runoff.

## Clermont celebration honors nonagenarian

By BRENDA HEATHCOCK

Twenty-nine year resident of Clermont Harbor, William J. Howard, was recently honored by family and friends at a celebration of his 90th birthday.

"This birthday party was the best one I've ever had," Howard said, "and I got to dance with all the ladies."

"You would never believe he was 90 years old the way he danced until the party ended," said Myrtis Broussard, a longtime friend of Howard's.

Although Howard has only lived in Clermont Harbor for nearly 30 years, he said he has visited with family members in the area for more than 54 years.

Howard and his wife Theresa moved to Clermont Harbor permanently after retirement.

He worked for 43 years with Illinois Central Railroad in New Orleans,

La. and was an engine foreman at the time of his retirement.

Prior to a recent illness which left Howard unable to drive, he was known in the community for the volunteer work he did daily.

"He would visit the nursing home a couple of times a week and entertain the residents with singing and dancing," Ms. Broussard said.

He also would prepare and deliver food to some senior citizens, she said.

"He did a lot of volunteer work with the senior citizens and would never accept a dime of payment," she added.

Howard also attended to his wife who was an invalid for the last several years of her life.

Also before his illness, Howard was active in politics and attended the Hancock Board of Supervisors meetings.

"I went to the meetings not to criticize but to encourage the super-

visors to do better jobs," Howard said.

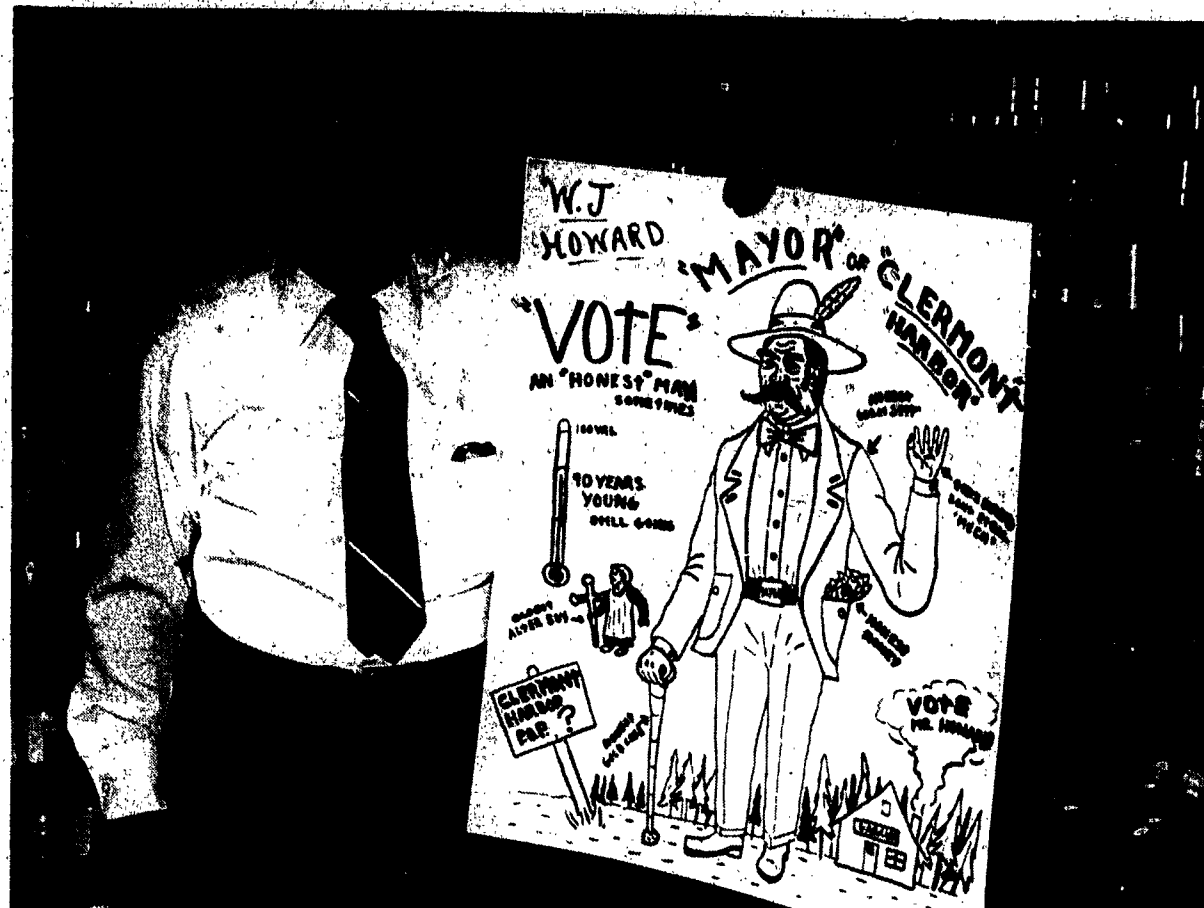

Another activity curtailed by his illness was working at the St. Ann Catholic Church. Howard became an altar-boy young in life and was still serving as an "altarperson" before being disabled by his illness.

Howard was also the grand marshal for the first Fourth of July parade held in Clermont Harbor.

Approximately 100 people gathered at Garcia's Grocery in Clermont for the celebration on Oct. 20.

A band, Hard Times, provided music for the occasion. Band members are Melvin and Wayne Luxich, John Bordages and Kenny Hill, all of the Clermont Harbor-Lakeshore area.

Howard's daughter Alice Muller of Metairie, La. as well as Mrs. Richard Burke and Ms. Gloria Burke arranged the celebration.

CELEBRATES 90TH BIRTHDAY—William J. Howard of Clermont Harbor shows a poster recently given to him at his 90th birthday celebration at Garcia's Store in Clermont Harbor. (Staff photo by Brenda Heathcock)

## Bay Council approves housing repairs

BY DENA BISNETTE

The Bay St. Louis City Council Thursday approved two housing matters, a zoning board recommendation and a request to advertise for insurance bids.

The council had postponed Tuesday's meeting until Thursday due to the general election.

Herman Briggs, representing Ron Murray Consultants, Inc., presented the council with a letter from Murray requesting that bids be taken on the repairs of six houses included in the city's continuing housing rehabilitation project.

The request was approved and Nov. 20 was set as the date for the bid opening.

Briggs also requested that an amendment be made on a contract for the repair of a house owned by

Geraldine Lang. He said the project, which is included in the rehabilitation program, will cost more than anticipated because additional damage to the building was found after repairs were started.

According to Briggs, replacement of part of the floor and most of the roof will have to be added to the contract.

The council approved the change.

In other business, the council approved the recommendations from the city's most recent zoning board meeting and approved a request for an advertisement for bids on insurance for city-owned vehicles.

The council also formally acknowledged an invitation to a Friday night reception for former Bay St. Louis, Police Chief Douglas Williams, who retired last month.

AIRMAN RABOTEAU

## Military Mention

Airman First Class Richard G. Raboteau, son of Alfred and Ophelia Raboteau of Bay St. Louis, has been decorated with the Bronze Star Medal at McGuire Air Force Base, N.J.

The Bronze Star Medal is awarded to individuals for meritorious achievement of service during armed conflict.

Raboteau served in the Grenada invasion.

He is an air cargo specialist with the 438th Aerial Port Squadron.

Raboteau graduated from Bay Senior High School in 1981 and is a former Sea Coast Echo employee.

## Meetings set for farm debt restructuring

A farm debt restructuring program for farmers experiencing severe financial difficulty will be in operation soon in Mississippi, Don Barrett, State Director for the Farmers Home Administration, said.

Debt restructuring is a key part of the farm credit initiatives recently announced by President Reagan.

Under the program, FmHA can set aside up to 25 percent or \$200,000, whichever is less, of an FmHA borrower's debt for five years without interest.

For a non-FmHA borrower, the

agency can guarantee part of a new loan if the lender will write off a minimum of 10 percent of the existing debt. In both cases, the goal is to restore the borrower to a positive cash flow situation.

Barrett said FmHA's field staff in Mississippi is being trained in the operational details of the new program.

Borrowers have recently received letters asking them to contact the FmHA County Office about an appointment to review their loan, the first step in the restructuring process.

## Bearcats, Tigers sharpen claws for 84 Mullet Bowl

The 11th annual junior high Mullet Bowl sponsored by the Bay schools' Tiger Booster Club is scheduled to kick off at 7 p.m. Thursday at Tiger Football Stadium in Bay St. Louis.

The game features Long Beach and Bay Junior High Schools. Both teams have identical 5-3 records and are runnersup in their respective conferences.

Candidates for the Mullet Bowl court have been elected by the Junior High Tiger football team. The

queen will be selected based on money raised at various fund raising events and activities.

Pre-game tickets at a reduced price may be purchased from these contestants only.

The candidates, all students in the eighth and ninth grades of the Bay St. Louis Public Schools, include Kristi Leigh Breland, Jackie Brink, Kelli Carpenter, Michelle Dempsey, Shelly Fayard, Lisa McGill, Debbie Pierce, Buffie Poolson, Nicole Rauxet and Dione Singleton.

## JR to chair Smokeout

The American Cancer Society's annual observance of the Great American Smokeout Thursday focuses public attention on cigarette smokers from coast to coast.

It's their day! The Smokeout is an up-beat, good-natured effort to encourage smokers to give up cigarettes for 24 hours, if only to prove to themselves that they can. Everyone enjoys watching and

rooting them on while they try.

Larry Hagman, TV's "J.R.," national chairman for the 1984 Great American Smokeout, returns for his fourth consecutive year.

Last year's "Adopt A Smoker" theme was stressed by Hagman in radio and television spots in which he urged ex-smokers and non-smokers to adopt their smoker friends and provide them with lots of sympathy and understanding.

According to the American Cancer Society, in 1983, just under 36 percent of American smokers attempted to give up cigarettes on Smokeout Day. According to a survey conducted by the Gallup organization, over 8 percent succeeded for a full 24 hours. One to 11 days later over four percent reported still not smoking.

On Smokeout eve, Wednesday, Mississippi ETV will air at 9 p.m. a national television special called "Breathing Easy." The one-hour variety show is geared to teens and their families. Teaching Guides are available for teachers who would like for their classes to participate in this program through the American Cancer Society, Mississippi Division, 345 North Mart Plaza, Jackson, MS 39206.

QUEEN CANDIDATES for the 1984 Mullet Bowl include, from left, Jackie Brink, Michelle Dempsey, Lisa McGill, Kristi Breland, Nicole Rauxet, Shelly Fayard,

Debbie Pierce, Buffie Poolson, and Kelli Carpenter. Not pictured is Dione Singleton.

## Clubs, Auxiliaries

8 and 40

The Harrison County Salon No. 218 of the 8 and 40 met on Friday, Nov. 2 at 7:30 p.m. at the American Legion home in Bay St. Louis with Mrs. Mattie North presiding. Members of this salon are from Ocean Springs, Biloxi, Gulfport, Waveland and Bay St. Louis.

Dr. Esther Oschmann reported on nurses' scholarship program. This offers a \$2,000 scholarship to nurses who wish to study and understand the treatment of children with cystic fibrosis, pulmonary tuberculosis, asthma and other respiratory diseases. The rate of chronic respiratory illness is very high. One out of every twelve children suffer with some sort of lung disease. Asthma is now the number one disabler of American children. There is a need for more nurses in this field of nursing.

Dr. Oschmann is planning to place flyers in hospitals, libraries, public health agencies and nurses' training schools so that the nursing public is ware of the qualifications for applicants who wish to further their career in the field of lung and respiratory diseases.

Plans were made for an annual Christmas party to be held at the Western Sizzlin on Friday, Dec. 7 at 6:30 p.m. All members are urged to come and each is permitted to bring a guest to join in the fun and fellowship party. There will be an exchange of gifts. Since Nov. 2 was All Souls Day, the chaplain, Dr. Esther Oschmann read the 23rd Psalm in memory of all deceased members. Also the Lord's Prayer was said by all for all members who are ill at this time. And now, a prayer for Thanksgiving:

This is the time we give thanks to our Father.  
Happy the nation that trusts in the Lord.  
All things are ours when we dwell in His kingdom...  
Now as we open our hearts to His word.  
Keeping our souls high, our minds free from fearing,  
See how His loving care gladdens our day.  
Into His presence we come with rejoicing,  
Visions of plenty illumine our ways.  
In peace and forgiveness we live with our neighbors,  
New understanding obliterates wrong.  
Great is His name and glorious His Power.  
Let us all praise the Lord in Thanksgiving.

### Pass Christian Garden Club

The Pass Christian Garden Club held its regular monthly meeting November 1 at the Hancock Bank Annex.

The members were asked for their assistance with the Christmas Silver Tea to be held at the home of Mrs. N. Lee Stanbro, No. 1 Fox Run, Byrnewood, on Dec. 6 at 1 p.m. The members look forward to extending a cordial welcome to all their friends and neighbors.

The club members involved in its craft activities presented for sale several handmade items covering a wide variety of uses. By the close of the meeting most of them were sold, with the proceeds accruing to the club treasury.

Mrs. Robert Doe and Mrs. William Leapey presented a plan to any members who wished to participate in making a quilt as a funding project which would be composed of squares delineating some feature of Gulf Coast living such as a sail boat, a live oak, a gazebo, etc. Enough members volunteered to produce one square each, with the craft members doing the final quilting. There was considerable enthusiasm for the project, and it is hoped it will be a highly profitable venture.

Mrs. Otis Trepagnier announced, on behalf of the Ways and Means Committee, that she had four attractive designs of two-year calendars for sale, the profit to be given to the club. The calendars were enthusiastically received.

Wild Flower Garden Chairman Mrs. R. Kitts Wallace gave a detailed report on the work being done in the garden, with the goal of having it ready for Pilgrimage. She expressed pleasure at the cooperation she is receiving from the members, and asked all members to gather as many wild flower plants as possible for relocation in the garden at the proper time. She felt that if the work proceeds at its present pace the garden will be in excellent shape for Pilgrimage.

The meeting was then turned over to a program presented by the president, Mrs. John Drevar. Her theme was flower arranging, and she emphasized that it is an art using flowers in the same manner a painter uses a brush, with the ultimate aim of creating beauty.

### Hancock Women's Club

Linda Thomas, executive director of Mississippi Environmental Organization, was guest speaker at a recent Hancock Women's Club meeting.

Hazardous and toxic waste was the theme of her presentation. In view of damaging effects of toxic wastes in Love Canal in Alabama, similar conditions are possible in Mississippi, she said. Application recently has been made for the dumping of toxic waste in Mississippi, and even more startling is the revelation that Japan ships toxic waste to the United States, the speaker continued.

Waste trucks are frequently spotted in Alabama and near Mississippi. The dangers of contact with toxic waste include leukemia, sterility, miscarriage and numerous other serious ailments, Thomas warned.

The group from the Environmental Organization spent many weeks in Jackson trying to obtain a five-year moratorium of toxic landfills in Mississippi. Their request was denied. There is now a one-year moratorium in effect, she added.

Thomas asked members to express concern by writing to senators and representatives encouraging them to back the Environmental Organization in the prevention of landfill anywhere in Mississippi.

Business brought before the club was news of a successful yard sale last Saturday for the benefit of the Humane Society.

Shirley Jones thanked the members for their cooperation in this effort. Plans were made for a craft meeting to be led by Brierty Acker who will assist the members in making holiday wreaths.

Individuals were asked to bring the supplies they require to the Bess Owens residence, 430 Main St., Nov. 16 at 10:30 a.m.

Jones will furnish dessert and members will bring their own sandwich. The meeting was adjourned after coffee and dessert provided by Marian Rapp.

**CREDIT SEMINAR**—Joyce Lee, left, and Jeanette Purchner discuss plans for the Credit Seminar for Women scheduled for Thursday, Nov. 15 from 10 a.m. to 1 p.m. at the Coast Electric Crew Room. The seminar, sponsored by the Hancock County Bank, will cost \$5 and lunch is included. For additional information contact Lee or Purchner at the bank, 467-5431. (Staff photo by Brenda Heathcock)

## Drumm—Kelly

The marriage of Lenora Marie Kelly of Waveland and Jon Christopher Drumm of Pearlton was solemnized on Saturday, September 22 at Our Lady of the Gulf Catholic Church, with the Rev. Henry McInerney officiating at the double ring ceremony.

Baskets of white gladioli and mums decorated the altar. Music was presented by Mrs. Olive McKenna, organist.

The bride is the daughter of Mr. and Mrs. James R. Kelly. The groom is the son of Mr. and Mrs. Raymond E. Drumm.

Given in marriage by her father the bride chose a designer gown of white crystalline organza over bridal satin.

The bodice of shirred organza featured a high neck trimmed in seed pearls and was appliqued in venise lace and seed pearls. The full bouffant skirt was elaborately trimmed in organza ruffles and appliques of lace and flowed into a cathedral train of ruffles.

A matching wreath of seed pearls and flowers held a fingertip veil of bridal illusion dotted with pearls.

She carried a cascading bouquet of white roses, English ivy, white mini-carnations, stephanotis, pink alstroemeria, white buttons and

baby's breath.

Attending as maid of honor was Donna Carter, who was attired in a gown of violet silk jersey with chiffon overlay bodice and lace inserts.

Bridesmaids were Karen Neal of Perkinston and Karla Drumm, sister-in-law of the groom, of Gretna, La.

They wore chaulk violet gowns identical to the maid of honor's. They carried free form bouquets of pink and white flowers.

Kenny Jones of DeQuin, Ill. served as best man.

Groomsmen were Billy Goins of Pearlton and James R. Kelly Jr., brother of the bride.

Ushers were Raymond C. Drumm, brother of the groom, of Gretna and Tim Ayers, nephew of groom, of Collinsville, Ill.

A reception followed at the Knights of Columbus Hall in Bay St. Louis.

The bride's table was decorated with a white lace tablecloth and silver candelabrum with orchid tapers. A tiered wedding cake, which featured a porcelain bride and groom, was decorated with sugar rose bouquets and purple satin ribbons.

Numerous out-of-town relatives and friends attended.

## Hughes—Shirley

Mr. and Mrs. Richard T. Alves of Bay St. Louis announce the engagement and forthcoming marriage of their daughter, Natalie Eileen Hughes to Steven Hayden Shirley of Lafayette, La., son of Mr. and Mrs. Jack W. Shirley, also of Lafayette.

The bride-elect is a 1979 graduate of Lafayette High School and a 1983 graduate of Louisiana State University in Baton Rouge. She is employed in

Crowley, La.

The prospective groom is a 1979 graduate of Lafayette High School and a graduate of Louisiana State University. He is attending the University of Oklahoma.

The couple will exchange wedding vows December 29 in a 6:30 p.m. ceremony in Grace Presbyterian Church in Lafayette.

## Walker—Ladner

The approaching marriage of Dana Bernadette Walker to Scott John Ladner is announced by her parents, Glen and Sylvia Walker of Pass Christian. He is the son of Levell and Joan Ladner, also of Pass Christian.

The bride-elect is a graduate of Harrison Central High School, where she was an executive board member of the National Honor Society, Mu Alpha Theta, Delta Beta, Future Homemakers of America and was secretary and vice-president of the Sacred Heart

Catholic Youth Organization. She attends Jefferson Davis Junior College and is employed at Dedaux Community Grocery.

The prospective groom is a graduate of Pass Christian High School. He received a degree in diesel mechanics from Jefferson Davis Junior College and is employed with Quales Drilling Co. in Louisiana.

The couple will exchange vows November 18 in a 4 p.m. ceremony in the Kih Veterans of Foreign Wars Post 6265 with reception following.

## Episcopal Church Women to serve Harvest Dinner

Women of Christ Episcopal Church will prepare and serve their annual Harvest Dinner Thursday evening.

This benefit project is open to the public.

The dinner will be held at the Episcopal Church, 1000 N. Highway 90, in Ocean Springs. Tickets are \$5.00. For more information, call Mrs. Mary

Offered this year are baked and fried items, including bread, rolls, and fruit. There will also be a cash bar.

The dinner will be held at the Episcopal Church, 1000 N. Highway 90, in Ocean Springs. Tickets are \$5.00. For more information, call Mrs. Mary

The dinner will be held at the Episcopal Church, 1000 N. Highway 90, in Ocean Springs. Tickets are \$5.00. For more information, call Mrs. Mary

MR. AND MRS. JON CHRISTOPHER DRUMM

NATALIE EILEEN HUGHES

### BAY NATIVE HONORED

Selected one of the "Most Notable Women in the State of Texas" Mrs. Betty Perdue, formerly of Bay St. Louis, daughter of Mr. and Mrs. J. B. Perdue, died recently. She was a member of the Episcopal Church and was known for her charitable work. She was born in Bay St. Louis and lived there for many years. She was a devoted mother and a community leader. She was honored for her contributions to the state and the church.

## Births

### LINDY MARIE BOUNDS

Mr. and Mrs. Otis L. Bounds II of Bay St. Louis, announce the birth of their fourth child, Lindy Marie, August 23, 1984 at 10:22 a.m. at Hancock General Hospital in Bay St. Louis.

She weighed 8 pounds, 6 ounces.

Mrs. Bounds is the former Peggy Kelley.

Maternal grandparents are the late Mr. and Mrs. Claude Kelley of Andalusia, Ala.

Paternal grandparents are Otis Bounds Sr. and Mrs. Dorothy Green Bounds.

Paternal great-grandmother is Mrs. Nellie McKean.

### AMANDA LOUISE JOHNSTON

Airman and Mrs. James Johnston Jr. of Goldsboro, N.C. announce the birth of their first child, Amanda Louise, Oct. 29, 1984 at Seymour Johnson Air Force Base Hospital in Goldsboro.

She weighed 5 pounds, 8 ounces.

Mrs. Johnston is the former Beryle Crudden.

Maternal grandparents are Edwin Crudden and the late Eunice Crudden.

Paternal grandparents are Mr. and Mrs. James Johnston of Bay St. Louis.

## FmHA to review loans for set-back eligibility

Farmers Home Administration will review loan accounts to see which farmers in Hancock County need and will qualify for a onetime set aside of part of their loan.

Jackie D. Williams, county supervisor, said FmHA has been authorized to set aside up to 25 percent—to a maximum of \$200,000—of the debt owed the agency for farmers who

are experiencing severe financial difficulty, if the set aside will help achieve a positive cash flow for the borrower.

"We will begin scheduling appointments for our borrowers to review their accounts, determine if they need special assistance and see if we can make that assistance available," Williams said.

"Not every borrower will qualify for the set aside, but there might be some other way to help, such as consolidation or rescheduling of existing loans. We will look at all alternatives."

Williams said all accounts will be reviewed. There are some exceptions, such as accounts in bankruptcy or foreclosure or those determined able to graduate to other sources of credit.

## 'Speaking Oracles of God'

—1 Peter 4:11

By W. Edwin Kearley  
Minister

501 Pine St.

Bay St. Louis

### MY KINGDOM IS NOT OF THIS WORLD PART II

The nature of the kingdom of Christ should be of interest to each of us. Jesus promised to build his kingdom. He said, "Upon this rock I will build my church and I will give unto you the keys of the kingdom..." (Matt. 16:18-19).

The rock was the truth Peter had confessed that Jesus is the Son of God. The words "church" and "kingdom" are used interchangeably. Therefore the church and kingdom are the same institution.

In Mark 9:1, Jesus promised to build his kingdom during the life time of those to whom he spoke.

"And he said unto them, verily I say unto you, that some of them that stand here, which shall not taste of death, till they have seen the kingdom of God come with power."

After the resurrection Jesus stated to his apostles, "For John truly baptized with water; but ye shall be baptized with the Holy Spirit not many days hence" (Acts 1:5). Jesus had promised, "And behold, I send the promise of my Father upon you; but tarry ye in the city of Jerusalem,

until ye be endued with power from on high" (Lk. 24:49).

He had said the kingdom would come with "power." Just before his ascension Jesus said, "But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and all Judea, and in Samaria and unto the uttermost part of the earth" (Acts 1:8).

The Holy Spirit came with power on the first Pentecost after the resurrection of Jesus.

"And when the day of Pentecost was fully come, they were all with one accord in one place. And suddenly there came a sound from heaven as of a rushing wind, and it filled all the house where they were sitting. And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak with tongues, as the Spirit gave them utterance" (Acts 2:1-4).

Peter referred to this day as the beginning. At the house of Cornelius, the first Gentile convert, the baptism of the Holy Spirit was given. Peter said, "As I began to speak, the Holy Ghost fell on them as on us at the beginning" (Acts 11:15). Paul said concerning the Colossian church, "Who hath delivered us from the power of darkness, and hath translated us from the kingdom of darkness into the kingdom of his dear Son" (Col. 1:13).

Therefore the church or kingdom came into existence on the first Pentecost after the resurrection of Jesus from the grave.

Golden Delite or Golden Nuggets

Golden Delite and Golden Nuggets potatoes are grown naturally in the Red River Valley. The yield is a potato that tastes like you've added butter. With the golden flesh, it looks like you've added butter. But no butter is needed to get a rich, buttery flavored potato that diet-conscious customers will crave.

## Have a question?

CITY-COUNTY LIBRARY  
467-5282

Call your library!

Building  
your jewelry  
wardrobe.

Building a basic jewelry wardrobe can be fun and easy. Just choose the basic pieces that will go with everything. A few gold and silver pieces, a watch, a ring, a necklace, and a pair of earrings. And you're done. And it's versatile. You can mix and match a few basic pieces for many occasions. Just begin with classic items to build from there.

Pins have made a comeback with the return of the classic look in women's clothing. A pin is the perfect companion piece to your suit. Wear pins on lapels, on your jacket, on your collar, and on your cuffs. If you like to wear jewelry, pins are a versatile and affordable way to add a touch of elegance to your wardrobe. Pins come in many styles, including floral, geometric, and animal designs. They are also available in many materials, including gold, silver, and plastic. Pins are a versatile and affordable way to add a touch of elegance to your wardrobe.

Nothing else feels like real gold.

Nothing else makes any moment so precious.

## Riemann Funeral Home opens new facility

Riemann Funeral Home, Inc. will conduct groundbreaking ceremonies Monday for a new facility on Beauvoir Road south of Pass Road in Biloxi.

Keynote speaker will be Lt. Gov. Brad Dye. The new funeral home will be built in memory of Ruth S. Riemann.

The new building, designed by David Riemann, encompasses 13,000 square feet. The colonial style

features columns front and side with a brick exterior. Parking will be provided on site for 125 cars.

The interior will include reception area with fireplace, lobby areas and staterooms, and a chapel with seating for 250 persons.

In addition, there will be a private family and pallbearer area, casket selection room, medical preparation room, and a public refreshment lounge.

## What's for lunch?

MENUS, NOV. 12-16
